October 2007

To the Members and Friends of the Watertown Foundation:

If you are a member, thank you for your support. If not, please join so the Foundation can increase its support of organizations and students in our community.

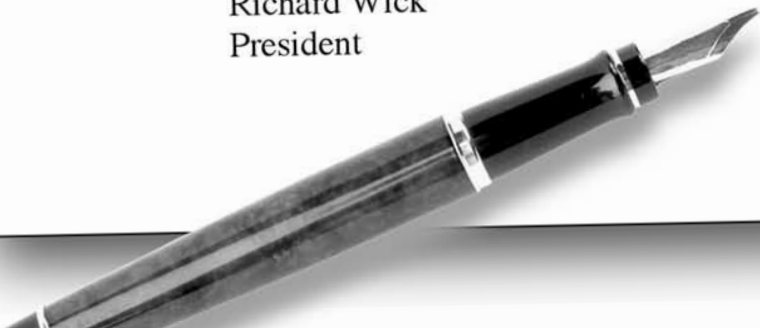

There are still people who have lived in town all their lives who don't know there is a Watertown Foundation. We're working to change that. We have consolidated our membership/fundraising activities under the dynamic leadership of Sue Atkins. These efforts are already showing positive results for our membership increased by over 10% since our last Annual Meeting to a new total of 436.

In other areas, your Foundation can report more growth. Our assets are now at a record high of over \$3 million. This year we are giving back more than \$100,000 to the community in the form of grants to 40 organizations and college scholarships to 24 of our talented high school seniors. These grants and scholarships enhance our community by enriching and encouraging thousands of our fellow residents every year.

Plans to celebrate our 100-year anniversary are evolving. Although it's a few years away, we expect to set ambitious goals, but we need your help to succeed. If you are not already a member, you can start now by joining. As a member you can encourage a friend to join, make an additional contribution, or volunteer to help on one of our working committees. We especially need more people to be actively involved.

Sincerely,

Richard Wick
President

Connecting our Community through Giving

The Watertown Foundation is the only community foundation dedicated solely to the Watertown and Oakville community. A group of residents established the Watertown Foundation in 1925 to enhance the quality of life in our community through local charity. By combining their gifts and working together to invest their contributions and assess the community's needs, our charter members began an extraordinary legacy. Today, many of your neighbors continue to support the Foundation's exceptional tradition of community giving. This invitation to membership is your opportunity to join them.
