Annual Report 2018

Presidents Message

Watertown Foundation

Post Office Box 117
Watertown, CT 06795

Dear Members and Friends,

It hardly seems possible that a year has passed since I succeeded Joe Kinsella as president of this wonderful organization. The Foundation is currently in its 93rd year of “Connecting Our Community Through Giving” and this year we raised the bar, approving \$90,000.00 for 45 grants and \$74,000.00 for 26 scholarships. The Foundation continues to prosper thanks to the generosity of its members and donors. This prosperity enables the Foundation to extend its assistance to the Watertown Community by providing financial support to deserving organizations and young people.

The passing of a year also brings change. Brad Erickson, Treasurer of the Foundation for the last five years and a member of the Board of Trustees for the last 8 years, has relocated with his wife Ingrid to Colorado. We are very thankful to Brad for the countless hours spent in service to the Foundation. He will be sorely missed. A thank you is due to Ingrid as well for her contributions to the Scholarship Committee and the Foundation. It is this very type of volunteerism that is the heart and soul of our organization.

Tonight we will be honoring the Dunbar Family and Copes Waste Solutions for their contributions to the Foundation and the Watertown Community. Their generous gifts of time, in kind services and financial support have spanned many years and impacted many organizations and lives. Always there, Bill Dunbar Sr., has been and continues to be a strong presence within the Watertown Foundation. The honor is well deserved.

The Foundation will also be recognizing the Watertown Historical Society. The Historical Society is another volunteer based organization that goes quietly about the task of preserving and documenting the history of the town and its citizens.

I wish to extend my heartfelt thanks to all those who have made this past year so very successful. I am proud to be your President. Donors & Members, Trustees, committee chairs & committee members alike, you are the life force of the Watertown Foundation. Your generous gifts of money and time guarantee that the legacy of the 50 charter members will endure.

Here's to another 93 years.

Thank you,

A handwritten signature in black ink, appearing to read "Margaret Durkee". The signature is fluid and cursive, with a large, sweeping initial 'M'.

The Foundation's assets are professionally managed with oversight by the Finance Committee and Board of Trustees.

Trust Funds

A Trust Fund in the Watertown Foundation provides the opportunity for individuals or corporations to provide a permanent legacy in our community. Trust Funds create permanent endowment funds that steadily grow in value over time and produce income for academic scholarships to individuals and grants to local charitable nonprofit organizations.

The Foundation requires a minimum of \$5,000 to establish a Trust Fund. This gift may be given as a lump sum or over a period of five years. Donors may also leave charitable assets upon their death in the form of a bequest in a will or trust, retirement plan designations, or beneficiary designation in a life insurance policy.

The Watertown Foundation will create a special fund in your name, in the name of your family or business, or in honor of any person or organization

you choose. You receive tax benefits in the year your gift is made. Your gift will be placed into an endowment fund that is invested over time, and earnings from the fund are used to make grants addressing community needs. Your gift, and all future earnings from your gift, will provide support for scholarships and organizations helping people and programs in perpetuity.

Distribution from Named Trust Funds

Each year the Board of Trustees establishes the amounts to be awarded in scholarships and grants, based on the endowment's market value and the success of its investments. This distribution policy strives to maintain the "purchasing power" of the funds over the long term to protect against inflation so that today's assets are not diminished in the future. The Board does not assess fees in the administration of Trust Funds or in the awarding of grants or scholarships.

Types of Funds

Unrestricted

The principal of an unrestricted fund is invested and retained by the Watertown Foundation. Income from investments is pooled and is awarded annually to nonprofit community organizations by the Board of Trustees. An unrestricted fund provides the most flexibility to the Board to meet needs in our community.

Field Of Interest

A Trust Fund may specify a particular field of interest such as the arts, youth athletics, education, social service, or the environment with a minimum gift of \$50,000. The Board of Trustees selects projects within your field of interest and presents the award in the name of the Trust Fund.

Scholarships

Named scholarships may be created with a minimum gift of \$25,000. Scholarships may be designated for study in broadly defined areas such as medicine and health careers, social service, business, engineering, and education. Criteria for selection are at the discretion of the Board of Trustees and are defined annually in the Watertown Foundation Scholarship Application. Recipients must be Watertown residents.

Wooster Society: \$5,000 or more
Westbury Society: \$2,500 or more

Watertown Foundation, Our Heritage

On October 6, 1925, fifty residents of Watertown met with David Woodward at M'Fingal Inn Bungalow. He informed his guests of his love for the Town and his desire to do what he could to make it a better place in which to live. He had therefore concluded that the organization of a Foundation, incorporated under the laws of the State, should be undertaken for the purpose of receiving and maintaining funds and using the income therefrom to improve the social and living conditions of the town. He explained that he had had some experience in the organization of a similar Foundation in Atlanta, Georgia and that six residents of Watertown had pledged \$500 a year as a nucleus of such funds.

He suggested that an opportunity be afforded to each resident of Watertown who was likely to be interested in the establishment of the Foundation to become one of its Charter Members by subscribing to a pledge to contribute to it not less than \$100. By such action all persons subscribing before October 21, 1925 would be declared and forever known as Charter Members of the Foundation. These subscribers would form a temporary organization to function until the Foundation had been incorporated.

All present on October 6, 1925 approved Mr. Woodward's suggestions. Mr. Horace D. Taft was elected Chairman and Mr. John L. Scott, Secretary of the meeting then held by those present. Residents of Watertown were invited to become Charter Members under the plans outlined by Mr. Woodward. A plan of organization at a meeting of the Charter Members was held at the M'Fingal Inn Bungalow on October 21, 1925.

Within a short time, a total of ninety-five residents of Watertown applied for Charter memberships. The Foundation was organized as a Corporation without capital stock on December 4, 1925.

On July 15, 1926, Mr. Woodward made a gift of \$5000 to the Foundation for the purpose of establishing a Student Aid Fund. He stated that loans should be made from this fund of a reasonable amount to any Watertown student or graduate of Taft School on the basis of scholastic merit, financial need, and contributions to school and community.

The Foundation received \$10,000 from the estate of David Woodward. Mr. Woodward left Watertown as a young man becoming a successful and prominent citizen of Atlanta, Georgia, and he maintained a home in Watertown where he and his family spent several weeks each summer. David Woodward died July 16, 1931.

The Foundation received \$7,475 from the estate of Harley F. Roberts, who died April 29, 1930. He was a long time master at Taft School and was very active in good works in Watertown.

Representatives of the Scovill and Merriman families gave the Foundation the Community House property in 1942. The building and grounds through the years had been the headquarters of many public groups, which were charged only nominal rents by the civic-minded owners. Among the organizations so favored were the Watertown Civic Union, the Red Cross, the Visiting Nurses Association, Veterans of Foreign Wars and the American Legion. The management of this property, which also contained a theatre, stores, bowling alley and a large room for social events, became quite a problem for the Foundation to handle. It was therefore decided to sell the property, which was accomplished in 1950, and from the sale about \$60,000 was received.

Fletcher W. Judson died November 9, 1955. The Foundation receives a half interest in a trust fund in common with the Connecticut Community Foundation, and the value of the Watertown Foundation's share at the time that the trust was created was \$39,450. Mr. Judson was an outstanding citizen of our town, notably as a long-time member of the School Board. The Chase Bank dissolved this trust fund in 2006 and the final disbursement to the Watertown Foundation was \$125,000.

Through the years the Watertown Foundation has been the recipient of many generous donations and bequests. As a tax-exempt, non-profit community foundation the Foundation identifies, combines and invests the charitable gifts of its members to benefit the community.
