

Watertown Foundation

Annual Report 2019

Presidents Message

Watertown Foundation

Post Office Box 117
Watertown, CT 06795

Dear Members and Friends,

Another year has passed and tonight I will be passing the gavel to the most capable hands of Linda Merriman. The Foundation is now in its 94th year and remains financially sound through the ongoing support of the members and donors. The 2019 scholarships totaled \$66,000 awarded to 25 Watertown students. The grants committee has just finalized its review of applications and will be awarding \$75,850.00 in grants to 36 recipients. The Foundation remains true to its history of financial support to the youth of our community as well as its churches, athletic organizations, service organizations, educational institutions, arts programs and more. The ongoing tradition of “Connecting Our Community Through Giving”, continues.

Tonight, we will be honoring Brian Flaherty for his many contributions to the Watertown Community. Having served as a State Representative and on community boards, he has given many hours to the people of Watertown. There is really no greater gift a person can give than their time. Especially in a time when people have such busy lives. It is always easier to walk away and declare “there is not enough time”. Brian is someone who continually demonstrates that he will find a way to make the time.

Last year we honored the Watertown Historical Society and learned that they would be moving to a new home at 401 Main Street, the former office of Richard Bozzuto. On September 12, 2019, I attended the opening of the Watertown History Museum. It was rewarding to see what the members of the Watertown Historical Society have accomplished. The precious artifacts now have a home and can come out of their storage unit. Watertown’s history will be preserved and shared. I am proud that the Watertown Foundation played a roll in helping achieve their success.

So many organizations and institutions rely on outside sources to aid financially in supporting their endeavors. The need is endless and the work unending. Going forward we must do all we can to continue the work started those 94 years ago by 50 charter members who had a strong desire to give back to the community that they so loved.

It has truly been an honor to serve as president of this wonderful organization for the last two years. I wish to offer my deepest appreciation to the members of the Board of Trustees, Scholarship Committee and Grants Committee. They are the heart and soul of the organization. My heartfelt thanks are also extended to the Donors and Members of the Foundation for they are its life’s blood. Your generous gifts of time and financial support are invaluable.

I wish Linda much success as she brings us into the next decade as President.

Sincerely,

A handwritten signature in black ink, appearing to read "Margaret Durkee". The signature is fluid and cursive, with a large initial "M" and "D".

Join Us! Become A Member

Help continue the Watertown Foundation's legacy of support for the many special qualities that make Watertown an extraordinary community. Membership in the Watertown Foundation is open to the public. The contribution for membership is \$200.

A donor may support the Foundation's continuing work with an unrestricted gift of any amount. Our donors are individuals, families, businesses, and charitable organizations. Donors may give cash, stock, retirement assets, bequests and other planned gifts.

Designating the Watertown Foundation as the recipient of a *Memorial Donation* continues the memory and spirit of a deceased family member or friend. *In Honor Of* gifts for living relatives or friends in lieu of holiday or birthday gifts can celebrate the event in a meaningful way. *Memorial Donations* and *In Honor Of* donations are received throughout the year. Acknowledgement is sent to the donor and a complete listing of gifts is sent to the family or party.

The Foundation's assets are professionally managed with oversight by the Finance Committee and Board of Trustees.

Trust Funds

A Trust Fund in the Watertown Foundation provides the opportunity for individuals or corporations to provide a permanent legacy in our community. Trust Funds create permanent endowment funds that steadily grow in value over time and produce income for academic scholarships to individuals and grants to local charitable nonprofit organizations.

The Foundation requires a minimum of \$5,000 to establish a Trust Fund. This gift may be given as a lump sum or over a period of five years. Donors may also leave charitable assets upon their death in the form of a bequest in a will or trust, retirement plan designations, or beneficiary designation in a life insurance policy.

The Watertown Foundation will create a special fund in your name, in the name of your family or business, or in honor of any person or organization

you choose. You receive tax benefits in the year your gift is made. Your gift will be placed into an endowment fund that is invested over time, and earnings from the fund are used to make grants addressing community needs. Your gift, and all future earnings from your gift, will provide support for scholarships and organizations helping people and programs in perpetuity.

Distribution from Named Trust Funds

Each year the Board of Trustees establishes the amounts to be awarded in scholarships and grants, based on the endowment's market value and the success of its investments. This distribution policy strives to maintain the "purchasing power" of the funds over the long term to protect against inflation so that today's assets are not diminished in the future. The Board does not assess fees in the administration of Trust Funds or in the awarding of grants or scholarships.

Types of Funds

Unrestricted

The principal of an unrestricted fund is invested and retained by the Watertown Foundation. Income from investments is pooled and is awarded annually to nonprofit community organizations by the Board of Trustees. An unrestricted fund provides the most flexibility to the Board to meet needs in our community.

Field Of Interest

A Trust Fund may specify a particular field of interest such as the arts, youth athletics, education, social service, or the environment with a minimum gift of \$50,000. The Board of Trustees selects projects within your field of interest and presents the award in the name of the Trust Fund.

Scholarships

Named scholarships may be created with a minimum gift of \$25,000. Scholarships may be designated for study in broadly defined areas such as medicine and health careers, social service, business, engineering, and education. Criteria for selection are at the discretion of the Board of Trustees and are defined annually in the Watertown Foundation Scholarship Application. Recipients must be Watertown residents.

Business Community Trust Funds

Wooster Society: \$5,000 or more
Westbury Society: \$2,500 or more
Watertown Society: up to \$2,500
Gifts may be given over five years.

Tax-free contributions

The Watertown Foundation is a 501C corporation. Donations to the Foundation qualify for the maximum tax benefit allowable by law.

Watertown Foundation, Our Heritage

On October 6, 1925, fifty residents of Watertown met with David Woodward at M'Fingal Inn Bungalow. He informed his guests of his love for the Town and his desire to do what he could to make it a better place in which to live. He had therefore concluded that the organization of a Foundation, incorporated under the laws of the State, should be undertaken for the purpose of receiving and maintaining funds and using the income therefrom to improve the social and living conditions of the town. He explained that he had had some experience in the organization of a similar Foundation in Atlanta, Georgia and that six residents of Watertown had pledged \$500 a year as a nucleus of such funds.

He suggested that an opportunity be afforded to each resident of Watertown who was likely to be interested in the establishment of the Foundation to become one of its Charter Members by subscribing to a pledge to contribute to it not less than \$100. By such action all persons subscribing before October 21, 1925 would be declared and forever known as Charter Members of the Foundation. These subscribers would form a temporary organization to function until the Foundation had been incorporated.

All present on October 6, 1925 approved Mr. Woodward's suggestions. Mr. Horace D. Taft was elected Chairman and Mr. John L. Scott, Secretary of the meeting then held by those present. Residents of Watertown were invited to become Charter Members under the plans outlined by Mr. Woodward. A plan of organization at a meeting of the Charter Members was held at the M'Fingal Inn Bungalow on October 21, 1925.

Within a short time, a total of ninety-five residents of Watertown applied for Charter memberships. The Foundation was organized as a Corporation without capital stock on December 4, 1925.

On July 15, 1926, Mr. Woodward made a gift of \$5000 to the Foundation for the purpose of establishing a Student Aid Fund. He stated that loans should be made from this fund of a reasonable amount to any Watertown student or graduate of Taft School on the basis of scholastic merit, financial need, and contributions to school and community.

The Foundation received \$10,000 from the estate of David Woodward. Mr. Woodward left Watertown as a young man becoming a successful and prominent citizen of Atlanta, Georgia, and he maintained a home in Watertown where he and his family spent several weeks each summer. David Woodward died July 16, 1931.

The Foundation received \$7,475 from the estate of Harley F. Roberts, who died April 29, 1930. He was a long time master at Taft School and was very active in good works in Watertown.

Representatives of the Scovill and Merriman families gave the Foundation the Community House property in 1942. The building and grounds through the years had been the headquarters of many public groups, which were charged only nominal rents by the civic-minded owners. Among the organizations so favored were the Watertown Civic Union, the Red Cross, the Visiting Nurses Association, Veterans of Foreign Wars and the American Legion. The management of this property, which also contained a theatre, stores, bowling alley and a large room for social events, became quite a problem for the Foundation to handle. It was therefore decided to sell the property, which was accomplished in 1950, and from the sale about \$60,000 was received.

Fletcher W. Judson died November 9, 1955. The Foundation receives a half interest in a trust fund in common with the Connecticut Community Foundation, and the value of the Watertown Foundation's share at the time that the trust was created was \$39,450. Mr. Judson was an outstanding citizen of our town, notably as a long-time member of the School Board. The Chase Bank dissolved this trust fund in 2006 and the final disbursement to the Watertown Foundation was \$125,000.

Through the years the Watertown Foundation has been the recipient of many generous donations and bequests. As a tax-exempt, non-profit community foundation the Foundation identifies, combines and invests the charitable gifts of its members to benefit the community.
